

CITY OF REMER
VARIANCE APPLICATION

APPLICATION:

- A. Applicant shall complete Variance Application provided by Zoning Administrator and submit to Zoning Administrator 30 days prior to scheduling public hearing.
- B. Application shall be accompanied by seven (7) prints of site plan drawing complete with as a minimum the information from Variance Checklist.
- C. Application shall be accompanied by application fee of \$300-checks can be made payable to the "City of Remer." **This fee does not cover the zoning permit, which must be filed separately, if necessary.**

REVIEW:

- A. Planning and Zoning Administrator shall review the application for completeness and assign a reference number to application, plans, and any other attachments. Applicant shall be notified within ten days if additional information is required to complete the application.
- B. After receipt of a completed Variance Application and supporting documents, the Zoning Administrator shall schedule a public hearing date on the Planning Commission's agenda for the earliest possible opening. Applicant will be notified by mail of the date and time of the public hearing.
- C. City Staff will prepare a Staff Report on the application. The Staff Report will be available for public review at City Hall no later than one week prior to the scheduled meeting date.
- D. The City Fee Schedule is based on average processing and review costs for land use applications. When costs exceed the original application fees, the applicant shall reimburse the City for any additional costs. Such expenses may include, but are not limited to, payroll, mailing costs, consultant fees and other professional services the City may need to obtain in reviewing permits. The City may withhold final action on a land-use application and/or hold the release of a construction permit until all fees are paid.

ACTION:

- A. The Planning Commission shall hold a public hearing on the variance application.
- B. At the conclusion of the public hearing, and after consideration of the testimony presented, the Planning Commission shall make a recommendation to the City Council.
- C. The City Council shall consider the Planning Commission's recommendation at the next scheduled Council meeting.

Pursuant to the Remer City Ordinance, Section 11.7, the applicant should be prepared at the public hearing to explain the practical difficulties for the proposed variance. A “practical difficulty” is defined as, “The property owner proposes to use the property in a reasonable manner not permitted by an official control; the plight of the landowner is due to circumstances unique to the property not created by the landowner; and the variance, if granted, will not alter the essential character of locality. Economic considerations alone do not constitute practical difficulties. Practical difficulties include but are not limited to, inadequate access to direct sunlight for solar energy systems.”

(1) What are the unique circumstances of the parcel size, shape, topography or other characteristics that make strict interpretation of the Ordinance impractical?

(2) How is granting this variance consistent with the intent of the City of Remer Land Use or Subdivision Ordinance?

(3) How will **reasonable** use of the parcel be deprived if the variance is not granted?

(4) What other options, either conforming or non-conforming, have been considered and why were those options not chosen?

(5) Describe the impact on the use and enjoyment of other property in the immediate vicinity. If there is no impact, explain why.

(6) Describe character of the area and the existing patterns and uses of development in the area. How is this proposal consistent with those patterns and uses?

(7) Describe the impact on the capacity of existing or planned community facilities (sewer, drainage, other). Describe if additional facilities will be required.

(8) Describe the impact on the character of the neighborhood in which the property is located.

(9) Describe the impact to traffic on roads and highways in the vicinity, and expected traffic generated by this application. Is there adequate parking available to accommodate the proposal?

(10) Discuss any environmental limitations of the site or area.

(11) Please include any other comments pertinent to this request.
